Lesson 1: Inferring the Meaning of Compound Words Using Context Clues
Introductory Message

For the facilitator:

Welcome to the English 5 Alternative Delivery Mode (ADM) Module 2, Lesson 1 on Inferring the Meaning of Compound Words Using Context Clues!

This module was collaboratively designed, developed and reviewed by educators both from public and private institutions to assist you, the teacher or facilitator in helping the learners to meet the standards set by the K to 12 Curriculum while overcoming their personal, social, and economic constraints in schooling.

This learning resource hopes to engage the learners into guided and independent learning activities at their own pace and time. Furthermore, this also aims to help learners acquire the needed 21st century skills while taking into consideration their needs and circumstances.

As a facilitator, you are expected to orient the learners on how to use this module. You also need to keep track of the learners' progress while allowing them to manage their own learning. Furthermore, you are expected to encourage and assist the learners as they do the tasks included in the module.
For the learner:

Welcome to the English 5 Alternative Delivery Mode (ADM) Module 2, Lesson 1 on Inferring the Meaning of Compound Words Using Context Clues!

This module was designed to provide you with fun and meaningful opportunities for guided and independent learning at your own pace and time. You will be enabled to process the contents of the learning resource while being an active learner.

This module has the following parts and corresponding icons:

- **What I Need to Know**
  - This will give you an idea of the skills or competencies you are expected to learn from the module.

- **What I Know**
  - The activity in this part is designed to check what you already know about the lesson. If you get all the answers correct, you may decide to skip this module.

- **What’s In**
  - This is a brief drill or review to help you link the current lesson with the previous one.

- **What’s New**
  - In this section, the new lesson will be introduced to you in various ways such as a story, a song, a poem, a problem opener, an activity, or a situation.

- **What Is It**
  - This section provides a brief discussion of the lesson. This aims to help you discover and understand new concepts and skills.

- **What’s More**
  - This comprises activities for independent practice to solidify your understanding of the topic. You may check the answers to the exercises using the Answer Key found at the end of the module.

- **What I Have Learned**
  - This part may require you to answer questions or complete statements to help you see a summary of what you have learned from the previous sections of this module.

- **What I Can Do**
  - This section provides an activity which will help you apply your new knowledge or skill into real-life situations.

- **Assessment**
  - This section tests your level of mastery in realizing the objectives of the lesson which are based on the learning competency.
In this section, another activity will be given to you to enrich your knowledge or skill of the lesson that was presented.

This contains answers to all activities in the module.

At the end of this module, you will also find the References which contains the list of all sources cited or used as a guide in developing the material.

To get the most out of this module, you should take note of the following reminders:

1. Use the module with care. Do not put unnecessary mark/s on any part of the module. Use a separate sheet of paper in answering the exercises.
2. Don’t forget to answer What I Know before moving on to the other activities included in the module.
3. Read the instruction carefully before doing each task.
4. Observe honesty and integrity in doing the tasks and checking your answers.
5. Finish each task before proceeding to the next.
6. Return this module to your teacher/facilitator once you are through with it.

If you encounter any difficulty in answering the tasks in this module, do not hesitate to consult your teacher or facilitator. Always bear in mind that they are there to help you.

We hope that through this material, you will enjoy a meaningful learning experience and gain a deeper understanding of the relevant competencies and skills. You can do it!

4. How do you call these words? Synonyms or Antonyms? ________________
What’s New

Activity 1

Directions: Go over the passage silently. Figure out the meaning of the italicized compound word by looking for its synonym. Write your answer in your notebook.

Wristwatches became popular in the 1920’s. The first ones to be used were self-winding. Then in the 1950’s, battery-operated wristwatches were manufactured and sold in the market. Powered by quartz crystals, electronic watches of today vibrate in their natural frequency. There are also digital quartz watches that display time in numbers. Their battery is either LED which stands for light-emitting diodes or LCD for liquid crystal display.

What kind of wristwatch do you use? Is it a self-winding one or electronic? Is it digital or the conventional one with the hour hand and the minute hand? Whichever it may be, watches and clocks are counting mechanisms that measure the passage of time and further help you follow your timetable.

1. You’ve got a new wristwatch which is similar to my two-year-old timepiece.
2. The clock hands and numerals are luminous or light-emitting for they glow even in darkest place.
3. Self-winding watches became popular in the 1920’s so did automatic clocks.
4. The schedule of flights to the south is as tight as the timetable of sea trips.
5. Celebrating a fiesta is a time-honored Filipino tradition that dates back as a long-established Spanish culture centuries ago.
Activity 2

Directions: Answer the questions below by writing the letter of the correct answer in your notebook.

1. How were you able to give the meaning of the unfamiliar words?
   a. through inference               c. through its synonym
   b. through context clue           d. all of the above

2. What do we mean when we infer?
   a. conclude    b. guess   c. summarize   d. outline

3. Synonyms are words ____________.
   a. that are spelled correctly    c. that have the same meaning
   b. that are misspelled           d. with unknown meaning

4. Antonyms, on the other hand, are words that are__________.
   a. opposite in meaning           c. having the same sound
   b. misspelled                    d. difficult to define

5. Unfamiliar words are words ____________.
   a. whose meanings are not yet known
   b. that are spelled erroneously
   c. that are hard to read
   d. that are too long
**What Is It**

*Compound words* or *compounds* are words formed by putting two or more words together to form a new word with a new meaning. To understand the meaning of the compound, it is important to determine the meaning of each word that makes up the new word.

Compound words may be closed, open, or hyphenated.

Study the example given below.

<table>
<thead>
<tr>
<th>Ice</th>
<th>berg</th>
<th>iceberg</th>
</tr>
</thead>
<tbody>
<tr>
<td>Meaning:</td>
<td>Meaning:</td>
<td>Meaning:</td>
</tr>
<tr>
<td>Solid state of water</td>
<td>mountain of glacier</td>
<td>floating ice that has</td>
</tr>
<tr>
<td></td>
<td></td>
<td>separated from glacier</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Types</th>
<th>Examples</th>
</tr>
</thead>
<tbody>
<tr>
<td>Closed</td>
<td>Someone, seaplane, raincoats, newspapers</td>
</tr>
<tr>
<td>Open</td>
<td>Time zone, home port, mother tongue, hot dogs</td>
</tr>
<tr>
<td>Hyphenated</td>
<td>Mother-of-pearl, son-in-law, passers-by, name-calling</td>
</tr>
</tbody>
</table>

**Remember:**

- Compounding is joining two or more words together to make them one word with a new meaning. This new meaning of the compound word may be the same as the individual meaning of its component words or may be different.

- Compound words may be **closed** (written as one), **open** (written with space between words), or **hyphenated** (connected by a hyphen).

- The meaning of compound words can be inferred through context clues with the use of:
  - **Synonyms** - one of two or more words of the same language that have the same meaning.
  - **Antonyms** - are words of opposite meaning.
Inference clue is a kind of context clue. In an inference clue, some kind of information is given in the sentence to help you figure out the meaning of the unfamiliar word.
